

Questions – State of the Region Health Security Report

Q: What are requirements and format for proposals and what criteria will be used to assess them?

A: The requirements for format and criteria for assessment are set out in the [Commonwealth Approach to Market Terms](#), and in section A.A.5 of the Statement of Requirement.

To submit a proposal please complete the [SOTR Commonwealth Approach to Market.docx](#) (466.4 KB). Suppliers may also submit additional documentation in their own format.

Q: What is the page limit is for response to the following criteria:

- Evidence of ability to meet requirement
- Appropriateness and strength of methodology to meet the requirement
- Qualifications of proposed personnel and/or institutions
- Value for money

A: There is no page limit for any of the response criteria.
